

**The *Friends* of
CHINN PARK REGIONAL LIBRARY**

We Need Your Help

We are a non-profit, 501 (C) (3) organization, and we exist to support the Chinn Park Regional Library and its associated Neighborhood Libraries. We sponsor and fund programs that educate and entertain our community's children, youth, adults, and entire families. It may be an introduction to the arts, to an author, or to the internet – we are there. It may require the purchase of hardware, software, or bookshelves – we are there. It may be promoting appreciation of our heritage, our community, or our libraries – and we are there.

All of this takes money, BUT we do NOT seek donations. We do operate a successful gift shop within the Chinn Park Regional Library, and we do conduct three or four used book sales every year. Both of these lucrative and valued enterprises are dependent on volunteers contributing their time and energy.

Please fill out the membership application form below and join us in our efforts to support our library and our community. By selecting the volunteer options that interest you on the form, membership in the Friends will provide you with the opportunity to contribute to the worthy causes we support. Members are also eligible to participate in the Members Only Pre-Sales, so you would have first choice of the thousands of books we sell at each used book sale.
